The **Frassanelle Golf Club** (in partnership with us; at 24Km from the Villa) is set in the midst of sumptuous grounds designed in the mid-1800s to bring a touch of English charm to the Venetian countryside. Its wide-open spaces, woodlands and a magnificent lake form the setting of this 18-hole course. The club house is a splendid seventeenth-century farmhouse that has been meticulously restored and furnished in the best Anglo-Saxon golfing tradition. Golfers will find themselves drawn into and fascinated by the golf course designed by Marco Croze with its perfect blend of lakes, streams and green clearings, and their skills and strategic planning will be put to the test by the numerous obstacles, rolling greens and hidden water traps. Hole 15, known as The Queen, is unforgettable with its 150 metres par that crosses the main lake to arrive at the green enclosed within a majestic ring of trees.
